NEGOTIATIONS 2022**

PROPOSAL #5 (a)

SUBMITTED: 6-1-2022

MOU SECTION/ISSUE: 6.2-Retiree Medical Insurance

PROPOSAL:

All employees who have concurrently retired from the County and from the California Public Employees' Retirement System ("PERS") may participate in the PERS Health insurance program at their own expense. The County shall contribute the MEC established by PERS.

The County acknowledges that the MEC established by PERS is insignificant relative to the cost of insurance premiums in retirement. The County and Employee each member of this bargaining unit shall contribute \$100 per month toward the County's Post Employment Health Plan (PEHP).
