Vaccines for children/school entrance = **\$.00** for established clients and **\$.00** for new clients but new clients must be seen for a physical first. New clients who need vaccines for school can receive them through the Gateway Program if they qualify – if they do not qualify – they pay for the physical and then receive the vaccines for free. Price of physical is based on a sliding scale fee. **Must have an appointment (no walk-ins)** it typically takes less than 7 days to get an appointment.

Must have an appointment (no walk-ins) for TST– typically takes 1-5 days to get an appointment. If TST is positive - referred to Vacaville Imaging. Preventative treatment = sliding scale fee based on income if no insurance (**\$30.00 – \$185.00**). If no insurance and no money, cannot help financially.

Anyone assigned to FHS with Partnership or Healthy Families can receive vaccinations from us. We are also happy to charge those who do not have Partnership or HF -- but paying for vaccines is rather pricey - depending on what is needed. Generally - those who do not have insurance, who call or walk in wanting IZ's -- their eligibility and CHDP history is checked -- if they are not assigned to FHS and the primary care giver wants to change to FHS - their IZ's will be given at the time of their CHDP physical.

TST is \$23.00. Walk-ins Mon., Tues., and Wed. 9:00am-11:00am and 1:30pm-3:30pm

If TST is positive-refer to Solano Diagnostic Imaging for Chest Xray. Preventative treatment is free.
