July 1, 2013

Dear Provider,

Solano County Mental Health Plan is seeking qualified, licensed mental health providers — Psychiatrists, Clinical Psychologists (Ph.D./Psy.D.), Clinical Social Workers (LCSW), and Marriage and Family Therapists (MFT) — to join the Solano County Mental Health Provider Network. We offer competitive reimbursement rates and will assist you in achieving a full and thriving practice. In addition, we offer free, continuing education and training to keep you up-to-speed with changes and informed about relevant laws and regulations.

The mission of the Solano County Mental Health Plan is to provide mental health services and supports that are person-centered, safe, effective, efficient, timely and equitable; that are supported by friends and community; that promote wellness and recovery; and that fully incorporate shared decision making between consumers, family members and providers. The Solano County Mental Health Plan is also committed to cultural competency, delivery of multi-cultural/lingual services, and recruitment of culturally sensitive service providers. Therefore, Solano County Mental Health Plan is preferentially seeking providers who:

- possess a breadth of clinical experience, including serving the Medi-Cal population,
- have been licensed for at least 2 years, and/or
- provide services in Spanish, Tagalog, ASL, or another language.

If you are interested in joining the Solano County Provider Network, please complete the Solano County Network Provider Brief Application.

Meeting the above qualifications does not guarantee acceptance into the Solano County Provider Network. The Solano County Mental Health Plan reserves the right, at its sole discretion, to accept or reject any or all applications. Providers must meet all local, state, and federal requirements pertaining to licensing and funding eligibility.

We look forward to your response.

Thank you,

A handwritten signature in cursive script that reads "Judeth Greco-Gregory, Ph.D.".

Judeth Greco-Gregory, Ph.D.
Mental Health Clinical Supervisor
