33. CONTRACT MONITORING

This section intentionally left blank.

35. LOCAL VENDOR PREFERENCE:

35.1 In order to address the competitive disadvantage faced by local businesses that seek to enter into contracts with the County because of the higher costs of doing business in the County, and to encourage businesses to locate and remain in the County, the County has implemented a local preference policy.

35.2 Definition of Local Business

For purposes of this section, a "local business" means a business enterprise, including but not limited to a sole proprietorship, partnership, or corporation, which has the following:

- a valid business license issued from the County or a political subdivision within the County; and
- its principal business office, or a satellite office with at least one full-time employee, located in the County.

35.3. Preference

- Where the lowest responsible bidder is not a local business, the purchasing agent shall provide the lowest responsible local business bidder, should one exist and its bid is within five percent (5%) of the lowest responsible bidder, with notice and an opportunity to reduce its bid to match that of the lowest responsible bidder. Notice shall be by telephone and either facsimile or electronic mail. The local business shall have five (5) business days after the date of such notice to match the lowest bid, in writing. Should the local business so match, it shall be deemed the lowest responsible bidder and receive the award.
- Should the lowest responsible local business bidder decline to match as set forth above, the purchasing agent shall provide the next lowest responsible local business bidder, should one exist and its bid is within five percent (5%) of the lowest responsible bidder, with the same notice and opportunity to match the bid of the lowest responsible bidder as above. This process shall continue as necessary, until an award is made either to a responsible local business bidder within five percent (5%) of the lowest responsible bidder, or the lowest responsible bidder itself.
- In instances where a local business and a non-local business submit equivalent, lowest responsible bids, the purchasing agent shall give preference to the local business.

- No contract awarded to a local business under this section shall be assigned or subcontracted in any manner that permits more than fifty (50) percent or more of the dollar value of the contract to be performed by an entity that is not a local business.

35.4 Declaration of Compliance

In submitting a bid subject to this section, a local business shall affirm its compliance with subsection 9.6.3.1 on a form to be provided by the purchasing agent (Declaration form included in this bid).

35.5 Notice

The purchasing agent shall provide adequate notice of the provisions of this section to prospective bidders.

35.6 Exceptions

The exceptions provided for in section 2.11 shall apply to this section. Furthermore, this section is made expressly inapplicable to public works or other projects to the extent the application would be prohibited by state or federal law.

SECTION II

1.0. STATEMENT OF PURPOSE

A. The purpose of this Invitation for Bid (IFB) is to define the County's minimum requirements and gain adequate information by which the County may evaluate services offered by contractors or vendors. As used herein, the term contractor or vendor shall mean the contractor, its employees, or agents.

B. The County of Solano is soliciting sealed bids for 30 Glock 23 handguns with night sights and accessories for the County Probation Department. All goods shall be provided in accordance with the specifications contained herein and/or attached hereto.

This contract award will result in a one-time purchase.

Section III

3.12.1.
