

## KAISER CHNA INDICATOR LIST -- 2015

Category	Indicator
<b>Demographics</b>	Total Population
	Change in Total Population
	Gender
	Population by age group (Age 0-4, 5-17, 18-24, 25-34, 45-54, 55-64, 65+)
	Median Age
	Linguistically Isolated Households
	Population with Limited English Proficiency
	Hispanic Population
Population with Any Disability	
<b>Social &amp; Economic Factors</b>	Children Eligible for Free/Reduced Price Lunch
	Income Inequality
	Economic Security
	Commuter Over 60 Minutes
	Households with No Vehicle
	Unemployment Rate
	Education
	Head Start Program Facilities
	High School Graduation Rate
	Population with No High School Diploma
	School Enrollment Age 3-4
Student Reading Proficiency	
Food Security	
Food Desert Population	
Food Insecurity Rate	
Population Receiving SNAP	
School Breakfast Program	
Insurance	
Population Receiving Medicaid	
Uninsured Population	
Poverty	
Children Below 100% FPL	
Population Below 100% FPL	
Population Below 200% FPL	
Violence	
All Violent Crimes	
Assault (Crime)	
Assault (Injury)	
Domestic Violence	
Rape (Crime)	
Robbery (Crime)

School Suspensions	
Youth Intentional Injury	
Teen Births	
Lack of Social or Emotional Support	

Category	Indicator
<b>Physical Environment</b>	Drinking Water Safety
	Park Access
	Recreation and Fitness Facility Access
	Liquor Store Access
	Food Environment Fast Food Restaurants Grocery Stores WIC-Authorized Food Stores
	Housing Assisted Housing Cost Burdened Households Substandard Housing Vacant Housing
	Transit Distance to Public Transit Road Network Density Walkability
	Air Quality Ozone (O3) Particulate Matter 2.5
	Climate and Health Access to Air Conditioning Canopy Cover Drought Severity Heat Index Days Heat Stress Events
<b>Clinical Care</b>	Access To Dentists Mental Health Providers Primary Care
	Cancer Screening Mammogram Pap Test Sigmoid/Colonoscopy
	Dental Care Affordability Utilization (Adult, Youth)
	Absence of Dental Insurance Coverage
	Diabetes Management (Hemoglobin A1c Test)
	Federally Qualified Health Centers
	Health Professional Shortage Area (Dental, Primary Care)
	High Blood Pressure Management
	HIV Screenings
	Lack of a Consistent Source of Primary Care
	Lack of Prenatal Care
	Pneumonia Vaccinations (Age 65+)
	Preventable Hospital Events

Category	Indicator
<b>Health Behaviors</b>	Breastfeeding (Any, Exclusive)
	Fruit/Vegetable Consumption (Youth, Adult) Expenditures
	Alcohol Consumption (Youth, Adult) Expenditures
	Tobacco Usage Expenditures
	Commute to Work Alone in Car Walking/Biking
	Walking/Biking/Skating to School
	Physical Inactivity (Youth, Adult)
	Soft Drink Expenditures
<b>Health Outcomes</b>	Infant Mortality
	Low Birth Weight
	Poor General Health
	Poor Dental Health
	Overweight (Youth, Adult)
	Obesity (Youth, Adult)
	Cancer Incidence (Breast, Cervical, Colon/Rectum, Lung, Prostate)
	Asthma (Prevalence, Hospitalizations)
	Diabetes (Prevalence, Hospitalizations)
	Heart Disease Prevalence
	Mental Health Depression Needing Mental Health Care Poor Mental Health Days
	STD Chlamydia HIV Prevalence HIV Hospitalizations
	Mortality Cancer Homicide Ischaemic Heart Disease Motor Vehicle Accident Pedestrian Accident Premature Death Stroke Suicide
