

Date/Location: August 26, 2008  
Suisun City Library, Suisun City, CA

Number in attendance: 3 community organization representatives.

Summary of conversations:

- Discussion took place regarding the Electronic Health Record System and making sure it is HIPAA compliant, and the ability to know if a client is Medi-Cal eligible.
- Health history is very important to seniors; the pharmacy component of IT plan would be very beneficial.
- Some attendees expressed concern over the possibility of duplicating services. How does Solano County plan on avoiding this?
