**1 TOWN SQUARE PLACE
VACAVILLE, CA 95688**

Solano County is seeking **community input** on the **conceptual plans** for the **William J. Carroll Government Center** project on the **corner of Monte Vista Avenue and Brown Street** in **Vacaville**.

The **presentation** will **outline preliminary concepts** for the proposed project, and the **community is encouraged to provide information** to help **shape the design** of the development and the **location of the building** on the site.

Representatives from **Solano County, City of Vacaville** and the Sacramento planning firm **Kitchell CEM** will **present information, facilitate a discussion** with interested members of the public and to **answer questions** at this early stage of project development.

For more information on the forum, call **Kanon Artiche, Solano County Architect**, or **James Bezek, Associate County Architect**, at **(707) 784-7908**.
