Subject: DMH Information Notice 09-02 Proposed Guidelines for the Mental Health Services Act Innovation Component of the Three-Year Program and Expenditure Plan - Request for Community Program Planning Funds

Dear Ms. Whitt *Sheri*

I am pleased to present Solano County's request for Community Program Planning Process funding for the Innovation Component of the Mental Health Services Act.

The Community Program Planning Process funds requested will support an extensive outreach and communications effort to ensure that our planning process is inclusive and culturally competent. I expect the process to generate ideas for innovations that could have a significant impact on mental health services in Solano County.

Your review and approval of this submission will be greatly appreciated. If you have comments or questions concerning our attached proposal, please contact our MHSA Coordinator Jayleen Richards at 707-784-8329 or myself at 707-784-8320.

Sincerely,
