RE: RFP #G099-0223-09 Funding Awards

I am pleased to announce the award of funding for Request for Proposal (RFP) #G099-0223-09 Mental Health Services Act Prevention and Early Intervention School Age Project.

Based on recommendations from the Review Panel and fiscal review, two applicants have been selected for funding:

- **Solano County Office of Education** will receive up to \$421,729 annually (adjusted for inflation) to provide educational liaison to multidisciplinary teams, system-wide coordination, and school-based targeted assistance in districts that did not apply for or receive funding.
- **Vacaville Unified School District** will receive up to \$114,271 annually (adjusted for inflation) to provide school-based targeted assistance in their own district.

Please see the attached Recommendations for more information about the award of funding. Notice of funding will be presented to the Local Mental Health Board on Tuesday, April 21, 2009 at 2101 Courage Dr, Multipurpose Room, Fairfield, CA 94533.

Appeals to this award of funding must be submitted in writing clearly identifying the reason for protest by Tuesday, April 21, 2009 (seven working days from notice of award) to the RFP Coordinator, Megan Richards, 275 Beck Ave MS 5-250, Fairfield, CA 94533. For more information on the appeals process, please see Page 19 of RFP #G099-0223-09.

Megan Richards, Prevention and Early Intervention Project Manager, will contact the selected Applicants shortly to begin contract negotiations. Services are estimated to begin July 1, 2009. Actual funding is contingent on approval of County Counsel and establishment of fully executed contracts with County of Solano. No work can begin prior to contract execution. Contracted funding is contingent upon the continued availability of Mental Health Services Act Prevention and Early Intervention funds.

Thank you to all Applicants for your hard work in preparing Proposals in response to RFP #G099-0223-09. We look forward to providing excellent prevention, early intervention services to the school age youth in Solano County. Should you have questions, please contact Megan Richards at 707-784-8322 or merichards@solanocounty.com.

Sincerely,

Michael Oprendeck
Mental Health Director

Megan Richards
Prevention and Early Intervention Project Manager
