Description of Community Program Planning (CPP) and Local Review Processes

1. Describe how the Plan update was developed in collaboration with stakeholders.

The draft PEI Statewide Guidelines approved at the January 28, 2010 Oversight and Accountability Commission were presented to Solano County's local community at a MHSA Stakeholders Meeting on February 18, 2010 in Dixon, CA. Twenty-two Stakeholders were present representing sixteen different agencies and organizations and included four identified consumers and family members.

The MHSA Stakeholders recommended designating funding to CalMHSA for implementation of the PEI Statewide Projects. Stakeholders requested information on how to get involved in project planning at the statewide level. Solano County Mental Health agreed to provide Stakeholders with updates on how to get involved in statewide planning efforts through CalMHSA, such as being informed of CalMHSA meetings where project plans are being discussed and being notified of 30 day public postings of project plans by CalMHSA.

2. Describe the methods to obtain input and review of draft Plan/update from stakeholders and interested parties. (A 30 day review and public comment period is required.)

Following the recommendation by the MHSA Stakeholders, a draft Plan to fund a contract between DMH and California Mental Health Services Authority (CalMHSA) to support CalMHSA administration of these programs was posted from May X, 2010 to June X, 2010 on the Solano County website. The notice of the posting was sent to Solano County's Stakeholder electronic mailing list of over 500 people.
