

**TRAVIS UNIFIED SCHOOL DISTRICT
RESOLUTION #2010-11-01**

**RESOLUTION ORDERING A SPECIAL TAX ELECTION, ESTABLISHING
SPECIFICATIONS OF THE ELECTION ORDER AND REQUESTING CONSOLIDATION
WITH OTHER ELECTIONS OCCURRING ON NOVEMBER 2, 2010**

RESOLVED, by the Governing Board (the "Board") of the Travis Unified School District (the "District"), as follows:

WHEREAS, Section 4 of Article XIII A of the California Constitution and section 50079 of the California Government Code authorize a school district, upon approval of two-thirds of the electorate voting on the measure, to levy a qualified special tax for specified purposes;

WHEREAS, while the District works diligently to provide the best education for its students, the District faces new challenges due to lack of adequate statewide funding and local business property tax decline that has forced the District to make very difficult budget cuts in recent years; and

WHEREAS, without additional local revenue the District has no choice but to make additional deep cuts to programs and staff in the classroom which will negatively impact classroom instruction at every school in the District; and

WHEREAS, an adequately funded and well-developed public education program provides numerous benefits and advantages to all of the residents of the community; and

WHEREAS, the Board has determined that to support student achievement in the District's local public schools by maintaining quality educational programs, providing academic resources at all grade levels, minimizing class size increases, and attracting and retaining qualified and experienced employees, it is necessary to authorize a special tax.

NOW, THEREFORE BE IT RESOLVED by the Governing Board of the Travis Unified School District, as follows:

TRAVIS UNIFIED SCHOOL DISTRICT

Measure ___

[letter designation to be assigned by County Registrar of Voters]

RECITALS

The Governing Board ("Board") of the Travis Unified School District ("District") has established the goals of improving academic performance and the quality of education for all children in the District.

In support of these goals and to improve local control of its programs and services, the Board has proposed supplemental educational funding for schools and programs for kindergarten through twelfth grade, including the funds needed to help minimize class size increases and protect, preserve and improve classroom and library programs.

The community recognizes the positive impact of excellent schools on the quality of life in the District, and that successful schools support and enhance property values.

The District seeks to maintain excellent schools at a time when the California Legislature is again unable to provide adequate funding for the operation of the schools in the District.

The District was forced to cut approximately \$3.3 million from its budget in 2009-10, and is again facing budget cuts of approximately \$1 million in 2010-11 due to continuing cuts and unpredictability in State funding of education for the foreseeable future.

The District may be forced to adopt a budget that includes teacher and staff layoffs and reductions in programs and services beneficial and necessary to students.

Property values within the District will be adversely affected by a decline in the quality of education provided by the District.

A superior and comprehensive education program delivers many benefits to all the residents of our community.

TERMS

To minimize the loss of teaching positions, increases in class sizes, cuts in reading, math and other programs and to provide students with high-quality classroom programs and student services, shall the Travis Unified School District be authorized beginning July 1, 2011 to levy a qualified special tax of \$250 per year for 3 years with exemptions for seniors and all expenditures reviewed by a citizens' oversight committee?

Moneys raised under this Measure shall be authorized to be used only for the following purposes in accordance with priorities established by the Board and to the extent of available funds:

- to minimize increases in class size
- to hire, train and retain teachers
- to provide students with the support and instruction they need to succeed with basic reading and math skills
- to maintain quality band and music programs
- to maintain quality physical education programs
- to provide students and teachers with textbooks and classroom supplies
- to provide students at all grade levels with high quality classroom programs and student services.

Amount and Basis of Tax

The parcel tax shall be \$250 per Parcel of Taxable Real Property beginning in fiscal year 2011-2012 for a period of three (3) years. The District shall provide the Solano County Tax Collector a report indicating the parcel number and amount of tax for each Parcel of Taxable Real Property

“Parcel of Taxable Real Property” is defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the County Treasurer-Tax Collector’s Office. All property that is otherwise exempt from or upon which no *ad valorem* property taxes are levied in any year shall also be exempt from the special tax in such year.

An exemption may be granted on any parcel owned by one or more persons aged 65 years or older who occupies said parcel as a principal residence, upon approved application to the District for exemption.

Claims / Exemption Procedures

With respect to all general property tax matters within its jurisdiction, the Solano County Tax Assessor or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the education parcel tax, including the Senior Citizen Exemption, the decisions of the District shall be final and binding. The procedures described herein, and any additional procedures established by the Board shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax by the District. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary. Taxpayers wishing to challenge any determination of the County Tax Assessor must do so under the procedures for correcting a misclassification of property pursuant to Part 9 of Division 1 of the California Revenue and Taxation Code or

other applicable procedures. Taxpayers seeking a refund of any tax paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.

Severability

The Board hereby declares, and the voters by approving this measure concur, that every section and part of this measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof.
