Treasurer - Tax Collector - County Clerk

4472	1312	unsecured taxes. NON MANDATED PORTION: Collections is a Non Mandated function. Collection efforts are estimated to cost \$100,000 annually including one FTE and overhead. Collections generates revenues of \$439,626. Provide County Clerk services as	and requirements for the collection of property taxes are established by numerous sections of the California Revenue & Taxation Code as well as the Government Code.	Yes	MD	2,027,769	1,836,769	9.00	The County would not be in compliance with numerous State statutes and would risk losing its primary revenue source. In addition revenue streams for local schools and other special districts would be negatively impacted, resulting in significant liability to the County.
ounty Clerk 13			Carrata Oland						
		mandated by numerous sections of the Government Code, Business & Professions Code, and Civil Code. All services provided by the County Clerk are revenue offset. NON MANDATED PORTION: The conducting of marriage ceremonies is not mandated. However, this service generates \$16,240 in annual revenue, which offsets all costs associated with providing it.	County Clerk services are mandated by numerous sections of the Business & Professions Code, Government Code, and Civil Code.	Yes	MD	243,301	-	2.00	The County would not be in compliance with numerous State statutes. Failure to provide mandated services would result in lost revenue and expose the County to a significant fiscal liability.
easury 138		The Treasury provides banking and investment services. Oversees debt management. Provides services to local Reclamation Districts. Acts as the front line County defense against fraud and other acts of fiscal malfeasance. Manages the County Pool totaling some 600MM in assets. Serves on the debt advisory and pension advisory committees	Services are mandated by numerous sections of the California Government Code	Yes	MD	1,146,323		3,00	County would not be in complaince with relevant statues and would be exposed to significant fiscal losses. In addition, the Auditor - Controller has raised concerns that the current staffing level does not allow for the optimal level of duty segregation. The department can function at current levels for the time being, but will need additional staffing in future years.
